II. What are the available options?

Option 1

Perfectly **cleaned** swirl flap housing + shaft with 3x valves + 6x bearings. Costs EUR 100 PER SIDE. In exchange you have to send us your defect housing including the small parts inside (in this case you have to return: 1x Housing, 1x Shaft with 3x valves and 6x bearings). Servo Motor, seals and push/pull rod including connection components will be REUSED by yourself.

Option 2

Option 1 + OEM AUDI Repair kit 059 198 212 (push/pull rod + connection components). Costs EUR 119 per side.

Option 3

Option 2 + **Seal to the engine + Electric Servo motor**. This represents a complete manifold as if you are buying it from the authorized dealer. Costs EUR 175 per side.
